ESG performance indicators definition

Carbon intensity

The carbon intensity is the weighted average greenhouse gas (GHG) emissions per million euros of revenue. Scope 1, 2 and 3 emissions are taken into account.

Scope 1 and 2 correspond to emissions directly emitted by the company and those indirectly linked to its energy consumption. Scope 3 emissions are those emitted by the company's suppliers and those emitted during the use and end of life of the products it creates.

Green Part

The green share is the percentage of a company's revenue devoted to economic activities that contribute positively to energy and ecological transition.

Source: Iceberg Data Lab, Groupama AM calculations

Implied temperature

Implied temperature is the difference between a company's projected carbon intensity trajectory and the reference trajectory of a climate scenario compatible with the Paris Agreements.

Disclaimer

This document contains information about a sub-fund of G Fund ("the SICAV"), a Luxembourg-based undertaking for collective investment ("UCI"), covered by part I of the Luxembourg law of 20 December 2002 and constituted in the form of a Société d'Investissement à Capital Variable (open-end investment fund). The SICAV is registered with the Luxembourg Trade and Companies Register under number B157527. Its registered office is at 5, allée Scheffer, L-2520 Luxembourg. G Fund has been authorised for public sale by the Commission de Surveillance du Secteur Financier in Luxembourg.

Not all sub-funds of the SICAV will necessarily be registered or authorised for sale in all jurisdictions or be available to all investors. Before subscribing to a sub-fund, investors must take due note of the complete prospectus of the SICAV and of its latest annual and half-yearly reports and its articles of association. These documents are available free of charge at the registered office of the SICAV or at the registered office of the authorised representative accredited by the competent authority in each jurisdiction concerned.

Investing in the sub-funds of the SICAV carries certain risks. You should fully inform yourself of these risks before any subscription and ensure that you have understood the present document. We recommend that all potential investors contact an advisor to determine whether this investment is suited to their profile.

The performance of a sub-fund is not guaranteed and may go down as well as up. The past performance of a sub-fund is not a reliable indicator of its future performance. Performance is quoted excluding the costs and commissions charged for subscription/redemption.

Depending on your tax system, any capital gains or income resulting from ownership of units of this SICAV may be subject to taxation. You should consult your advisor for further information.

This document is not an investment recommendation, nor does it constitute an offer to buy nor a solicitation to sell in any country where the sub-funds of the SICAV are not authorised for sale or in which such offer or solicitation is unlawful.
